SUBJECT: 2007 State and Federal Legislative Matrix

BACKGROUND:

The attached legislative bill matrix provides summaries of state and federal legislation relevant to SCAG activities and items of interest.

These legislative bills are organized by subject matter in the following categories: Air Quality, Aviation, Energy, Environment, Housing, Housing Bonds, Solid Waste, Transit, Transportation, Transportation Bonds, Tribes, Water, and Water Bonds. To assist you in finding a particular bill, there is an index at the end of the report listing all bills in numeric order and including the category that each bill falls under.

Bill summaries include known on-record positions for other statewide organizations following these issues, such as the California League of Cities, California State Association of Counties, CALCOG, and others.

Please feel free to contact me at (213)-236-1880 if you have any questions or wish to discuss any legislative bill or issue.
